Dear Mr. Nabe:

Thank you for your letter of 16 April 1948.

I find that you are unduly concerned about the phrase "Subject to investigation" on the Personnel Action dated 8 March 1948. This refers to Civil Service investigation not CIA investigation and is required by the Civil Service Commission on all probational appointments. Presumably, the investigation will not actually be made in this case but the notice must remain during the probationary period.

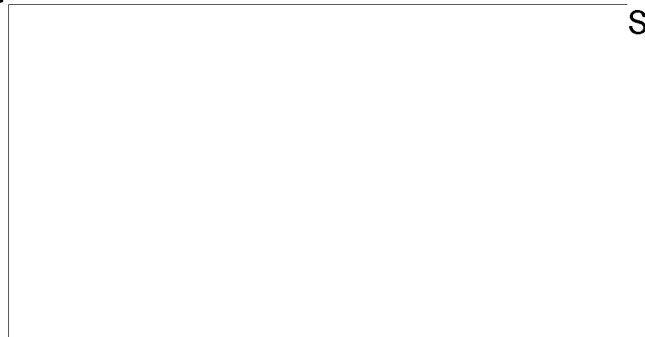

Regards and good luck.

Sincerely,
